AIM Lab

Anxiety | Self-Image | Mood

**Do you avoid
activities
where you
are the
centre of
attention?**

**Are being
embarrassed
or looking
stupid your
biggest
fears?**

**Are you aged
14-18?**

WE NEED YOUR HELP!

Join our study to help us understand young people's emotions. Our findings will help to improve mental health treatments.

We will ask you to answer some questions and complete some computer games.

You can do everything online from home or at school, and choose a time that suits you!

Get paid for your time!
