Consent form

This research has been approved by UCL Research Ethics Committee
(Approval ID Number: 24867/001)

I confirm that I understand that by ticking each box below I am consenting to this part of the study. **I understand that it will be assumed that unticked boxes mean that I do NOT consent to that part of the study and, by not giving consent for any one element, my child may be deemed ineligible for the study.**

- ☐ 1. I have read the information above and understand I can email the researchers with any questions.
- ☐ 2. I consent to the collection of my child's personal data, including name, date of birth, age, gender, sex, and email address.
- ☐ 3. I consent to eye movement, video and audio recordings of the testing session to take place.
- [] N/A
- ☐ 4. I understand that the eye tracking, video and audio recording data will be kept safe on a secure university computer and storing system to which access is highly restricted (only by the study team) and will be de-identified and destroyed after the data analysis.
- [] N/A
- ☐ 5. I consent to the collection of the following types of research data: Mental health questionnaires and performance on computerised tasks.

- ☐ 6. I understand that the lawful basis for processing my child's personal information is 'public task', and the lawful basis for processing my child's special category information is research purposes.
- ☐ 7. I understand that my child's personally identifying data will be deleted at the end of the study.
- ☐ 8. I understand that all personal information will remain confidential and that all efforts will be made to ensure my child cannot be identified (except as required by law). I understand that my child's data will be stored securely and pseudonymously during the study period; and will be anonymised after the study is complete.
- ☐ 9. I understand that participation is completely voluntary and that I or my child can withdraw at any point without giving any reason and without any penalty. My child will be aware that they can leave the testing session at any time, simply by closing their browser.
- ☐ 10. I understand that confidentiality will be strictly adhered to and it will not be possible to identify my child in any publications or presentations. I understand that such confidentiality is limited if evidence of wrongdoing or potential harm is uncovered. In such cases the researcher may be obliged to contact relevant statutory bodies/agencies.
- ☐ 11. I understand the benefits of participating as stated in the Information Sheet, including that my child will receive financial compensation of Love2Shop voucher/e-Gift cards at the rate of £9 per hour.
- ☐ 12. I understand that only fully anonymised research data from the study will be presented, published or archived in an open access repository, which might be used for future analysis by other researchers not connected with UCL.
- ☐ 13. I hereby confirm that my child is aged between 14 – 18 years old, speaks fluent English, and is able to complete testing from a computer with a good internet connection, in a private space.
- ☐ 14. I wish to be contacted again for future studies by a member of the research team.

By pressing "**Continue**" I consent for my child to take part in this study
