TAKE PART IN PAID ONLINE RESEARCH!

- Are you aged [any in range 14 - 18]?
- Are you interested in how people think and feel?

Join our study to help us understand young people's emotions. Our findings will help to improve mental health treatments.

We will ask you to answer some questions and complete some computer games.

You can do everything online from home or at school, and choose a time that suits you!

Get paid for your time!
